# Questionnaire

VENUE AND AREA OF SURVEY (please specify):
NAME: AGE:
ORGANISATION / SCHOOL / FAITH GROUP:

1. What do you see as the five biggest issues that affect you in your community?
   i)
   ii)
   iii)
   iv)
   v)

2. Which of these is the biggest issue for you **as an individual**?

3. What about people in your community **as a whole** – is this different to the individual concerns you have just mentioned?

4. Choose one of these issues to discuss in more detail. What do you feel could be done locally to improve the situation?

5. Do people in the area have a voice in the decision-making process regarding this issue? How could they be given more of a say?

6. Do you think it is important that different religious leaders and communities are consulted when making decisions on important issues such as this?

7. If you practice a religion, do you think your faith directly influences your concerns about what needs to be changed or improved locally? (Please circle)

   Yes, a lot  Yes, a little  Not much  No, not at all

8. Who do you think are the most important people (locally) to approach to bring about improvement and change? (Please rank in order – 1 being the most important, 6 being the least important)

   MPs
   Faith leaders
   Local councillors
   Young people
   Teachers
   Police
   Charities/pressure groups

9. Do you know of anything already being done to tackle this issue, if so, what?

10. Do you have any initial ideas about what young people could do together as part of a social action project to tackle the issues you have mentioned?

11. Do you think the establishment of youth interfaith groups will help to:
    (a) improve relationships between people from different faiths and backgrounds?
    (b) bring about positive change for all in the community?
